Location

Situated in a prominent and visible position at the north end of High Street (B6430) within Garstang town centre with direct frontage to the one way road system through the town. The development also benefits from being situated directly adjacent to the town centre's main pay and display car park and from open views to the River Wyre and countryside and fells beyond.

Garstang is a busy town offering a good range of amenities and benefiting from a growing affluent catchment due to the significant residential development that has taken place in the surrounding area. It is well connected being serviced by the A6 which links Preston and Lancaster.

Description

The accommodation has been constructed at ground floor level and is designed to be split into units of differing sizes. The units benefit from fully glazed retail style frontages incorporating pedestrian access doors and service entrance and refuse store to the rear and have mains connections to water, electricity and drainage ready for distribution.

Internally, the units are in shell condition with concrete screed floors ready for occupier fit out as required. A detailed specification is available to interested parties and our Client is willing to discuss undertaking fit-out works for an incoming occupier if required, subject to agreement of terms.

The open plan accommodation would prove suitable for a variety of uses including retail uses, office uses, showroom, food/beverage uses and other commercial and leisure uses subject to application and planning requirements.
