## Location

The property is situated within the well-established Slaidburn Industrial Estate, which is the principle industrial estate lying at the northern end of Southport.

The estate lies approximately 3 miles north of Southport Town Centre and is well placed for access to the A565 which links Southport with Preston. Access to the motorway network is via Junction 27 of the M6 or Junction 3 of the M58 via Ormskirk.

## Description

The premises comprise a substantial detached industrial property being in the main of portal frame construction with mixed brick, block and clad walls beneath mixed profiled cementitious and metal clad sheet roof incorporating translucent roof lights. The property is built in bays in an 'L' configuration with 2 storey offices to the front together with further single storey works offices.

Following a letting of part the wider building is in the process of being subdivided into 1 smaller, potentially 2 units as per the size range options provided. The units benefit from well appointed offices with suspended ceilings with recessed category II lighting, UPVC double glazing, gas fired central heating and IT networking throughout. The units generally benefit from mixed warm air space and ambi-rad heating. Access is via commercial roller shutter doors from a yard to the side as well as immediately onto Slaidburn Crescent depending on the quantum of accommodation required. The approximate eaves heights ranging from circa 3 to 4m or thereabouts.

Car parking is provided to the front and side of the premises in additional to the yard area. A further circa 0.64 acre compound is available subject to terms.

## Services

We understand mains electricity (3-phase), gas, water and drainage are available to the premises.
