The property is prominently situated fronting Chorley Road (B6254) at its junction with Higher Walton Road/Victoria Road (A675) in the centre of Walton le Dale which is located to the south east of Preston City Centre.

The premises benefit from a good level of passing vehicular traffic and an area of on-site parking to the side of the building.

Description

The subject premises comprise a two-storey end-terraced property with a small extension to the rear and benefit from a glazed frontage to Chorley Road.

Internally, the ground floor provides predominantly open plan accommodation, albeit this is currently sub-divided by way of demountable partitions, together with kitchen and WC facilities. The first floor is accessed via an internal staircase and again is mainly open plan in nature.

The building would suit a wide variety of uses, subject to any necessary planning permission.

Externally, the property benefits from a small enclosed rear yard accessed from Higher Walton Road and an area of hardstanding to the side of the building which provides some off-road parking.
