Location

The property is situated within the well-established Slaidburn Industrial Estate, which is Southport's principle industrial estate lying at the northern end of the town.

The estate lies approximately 3 miles north of the Town Centre and is well placed for access to the A565 which links Southport with Preston. Access to the motorway network is via Junction 27 of the M6 or Junction 3 of the M58 via Ormskirk.

Description

The subject property comprises a substantial detached warehouse facility of steel portal frame construction beneath a pitched profile clad roof with translucent roof lights. The elevations are constructed in brick and blockwork to approximately 7 feet, above which is profiled metal cladding. A two-storey office section is integrated to the front of the building with predominantly uPVC double glazed windows and CCTV.

Internally, the warehouse provides predominantly open plan accommodation with several partitioned stores at ground floor level with two-storey office accommodation plus a mezzanine floor. The offices include a reception area, multiple private offices, and staff amenity facilities including WCs benefiting from suspended ceilings incorporating LED lighting, gas-fired central heating and dado-level IT networking.

The warehouse offers LED lighting, gas-fired space heating, a concrete floor, and 3-phase electricity and an approximate eaves height of 6.75 metres.

Access is provided via a single commercial roller shutter door, from a predominantly concrete surfaced yard, enclosed by a steel palisade fence and benefitting from floodlighting.

Services

We understand mains electricity (3-phase), gas, water and drainage are available to the premises.

Accommodation

The premises extend to the following Gross Internal Areas (GIA):

	m ²	ft ²
Ground Floor		
Reception, Office & Stores	149	1,602
Warehouse & Packing Area	963	10,365
First Floor		
Offices	76	818
Mezzanine	109	1,173
Total	1,297	13,958

Rating Assessment

The premises have a Rateable Value of £45,500.

Interested parties are advised to make their own separate enquiries with the local rating authority Sefton Council – business.rates@sefton.gov.uk.

Planning

We understand that the premises benefit from planning permission within Class B8 of the Town & Country Planning (Use Classes) Order 1987 (as amended).

Interested parties are recommended to make their own enquiries with the planning department at Sefton Council (www.sefton.gov.uk).

Tenure

The premises are available by way of a new full repairing and insuring lease for a term of years to be agreed.

Asking Rental

£85,000 per annum, exclusive

All photographs and plans incorporated herewith are indicative and provided for identification purposes only and should not therefore be relied upon.

Energy Performance Certificate

This certificate shows the energy rating of this building. It indicates the energy efficiency of the building fabric and the heating, ventilation, cooling and lighting systems. The rating is compared to two benchmarks for this type of building: one appropriate for new buildings and one appropriate for existing buildings. There is more advice on how to interpret this information on the Government's website www.communities.gov.uk/ebcd.

Energy Performance Asset Rating

More energy efficient

Net Zero CO₂ emissions

Less energy efficient

Technical information

Main heating fuel:
Building environment:
Total useful floor area (m²):
Building complexity
(NOS level):

Benchmarks

Buildings similar to this one could have ratings as follows:
48 If newly built
67 If typical of the existing stock

VAT

All rentals quoted in these particulars are subject to VAT at the standard rate.

Legal Costs

Each party to be responsible for their own legal costs incurred in the transaction.
