Location

The properties front Water Lane (A583), a busy vehicular route into and out of the city centre between the junctions with Fylde Road/Tulketh Brow and Strand Road approximately 1 mile to the north west of the centre of Preston.

The premises are situated within an area of mixed retail, commercial and residential land uses with nearby occupiers including New China Chinese takeaway, Preston Cycles, Rhodes Furnishings and Realign Sports Therapy clinic. The main campus of the University of Central Lancashire is also located approximately 1/2 mile to the east of the subject premises.

Description

The premises comprise a pair of adjacent two-storey terraced properties which accommodate two lock-up, self-contained retail units at ground floor level each providing open plan sales area together with ancillary accommodation, brew area and WC facility to the rear. Both units will be available with vacant possession on completion with 37 Water Lane having recently been subject to refurbishment and benefiting from a new suspended ceiling, LED lighting and being freshly plastered and decorated.

The first floor accommodates a large residential flat accessed from the front, with the two properties having been interlinked on this level, and benefits from uPVC double glazing throughout. The accommodation was previously occupied as five bedsits with communal kitchen and bathroom facilities but is currently unoccupied. This element could either be refurbished or offers the potential to be reconfigured to provide two 1 bed self-contained flats. An additional staircase provides direct internal access between the floors.

Externally, there is an area of enclosed land to the side which can be used for storage only and is held by way of an agreement from Network Rail at an annual fee of £437.45 inclusive of VAT. A purchaser may be able to retain the benefit of the land subject to negotiation of a new agreement with Network Rail.

Accommodation

The property extends to the following approximate areas with the shops measured on a Net Internal Area (NIA) basis and the residential accommodation as Gross Internal Area (GIA).

	m ²	ft ²
37 Water Lane (NIA)	67.4	725.5
38 Water Lane (NIA)	38.1	410.1
37a Water Lane (GIA)	72.1	776.5

Services

We understand each element of the building has mains connections to electricity, water and drainage with the upper floor also benefiting from a mains gas supply.

Planning

It is understood that the ground floor retail units have an established use within Class E of the Use Classes Order 1987 (as amended) with the upper floor being used within Class C3 of the same order.

Rating Assessments

37 Water Lane has a Rateable Value of £4,050 with that of 38 Water Lane being £4,000 and the flat having a Council Tax Assessment within Band A.

Tenure

Freehold. Vacant possession of all elements of the building will be provided on completion.
