Location

Located in a prominent position fronting Pope Lane at its junction with Cop Lane, the property occupies a central position within the Kingsfold district centre in Penwortham, a well-established and popular residential suburb approximately 1.5 miles south west of Preston city centre.

The location benefits from good accessibility, with direct routes into Preston city centre and convenient connections to the wider road network, including the A59 and nearby access to the M6 and M65 motorway network. The surrounding area is predominantly residential in character, supporting a strong and consistent local catchment.

Kingsfold district centre provides a range of local retail, service and community uses, including a small convenience store, pharmacy, medical centre, library and primary school, all within close proximity, which collectively underpin regular footfall and day-to-day trade within the immediate vicinity.

The units will be delivered to a shell and core specification, incorporating attractive glazed shopfronts, providing occupiers with flexibility to undertake their own fit-out.
